

## **Friends of North Andover Trails**

### **2016 Goals**

**(Revised 27 April 2016)**

#### **Trails Stewardship**

- Establish the “adopt a trail” program, focusing on getting new people involved in monitoring trails.
- Re-route the BCT into Middleton, including adding new markers and supporting improvements as allowed and as detailed in RTP grant proposal “Recovering the Lost 50”.

#### **Trail Improvements**

- Focus on Mazurenko Farms, including brushing out the trails, completing connector trails, improving the wetland crossings, trail markings, and parking area.
- Re-establish the CYR athletic field/recycling area trails.
- Add two (2) loop trails to the Bruin Hills area, jointly with Greenbelt.
- Establish a viable “construction group” for boardwalks, kiosks, etc.
- Establish a strong link to the Eagle Scout projects.

#### **Stewardship**

- Progress town and/or Greenbelt acquisition of the property identified adjacent to Greenbelt’s Wilmot property.
- Follow closely the Edgewood expansion, insuring parking area and trails are retained or expanded.

#### **Active Outreach**

- Expand the current number of leaders/co-leaders organizing monthly walks.

#### **Passive Outreach**

- Progress on the 2<sup>nd</sup> edition of the guidebook
- Expand the website to include a reporting page for volunteer activities – trail monitors, sub-committee on signage, construction group.
